

Construction of 15 Homes, Bricknel Close

Newsletter no 10, September 2022

HOLKHAM ESTATES COMPANY

On behalf of Holkham, we are very pleased to bring you the latest news on our development at Bricknel Close, Castle Acre.

Sales are complete on the first seven houses, which include the sale to Broadland Housing Association.

We have an open day on Saturday 24th September to promote sales of the next phase of three houses (plots 4, 5 and 6) including 4 bed and 3 bed homes. Please visit www.savills.com to see full property details or call Francis Cooper on 01603 229229 to arrange a viewing.

We are pleased to report that all roofs are now covered and all external scaffolding has been removed. Mains services will be connected to all homes within the next month and we are tidying up public and private external areas as well as continuing with internal works. The only walls we have left to build are garden walls.

In our last newsletter we were anticipating November completion. With delays in the supply chain, we are working towards being off site by the end of the year at the very latest.

We would like to take this opportunity to thank local residents for their patience and support throughout this project.

Richard Leigh,
Construction Manager
